

**21, 22 AND 23 OCTOBER 2022
IN MARSEILLE AND ALL OVER THE
MEDITERRANEAN REGION**

MED'ACTION FESTIVAL IN A FEW WORDS

This year, we will meet again for a program as rich as ever. **Environmental and Climate issues** will be at the heart of the actions, notably with the organization of several debates and waste collections on the Mediterranean.

On the program, international debates, online conferences, Med'talks (live broadcasted TV sets), which value the citizen commitment of the youth in the Mediterranean region around issues related to the environment, equal opportunities and solidarity mobility.

This year, art is invited to the party with participatory artistic workshops as part of the Mediterranean campaign Art for Clim'Act financed by

Not forgetting the now traditional simultaneous waste collection all around the Mediterranean Sea: cleaning actions will be on the agenda in the form of the Plogging Challenge in the framework of Blue Future project
